

## BOX PARISH COUNCIL

### **THE MINUTES OF A MEETING OF THE PLANNING AND CONSERVATION COMMITTEE HELD ON 28<sup>th</sup> NOVEMBER 2019**

**1. Present:** Councillors: J. Cox (Chairman); D. Evans; R. Davies; S. Parker  
Mrs Carey (Clerk)

**2. Apologies:** Cllrs: R. Case; V. Hill

**3. Absent:** Cllr N. Botterill

**4. Public Question Time:** There were no members of the public present.

**5. Planning Applications:** The following planning application was considered:

19/07494/FUL Manor Farm, Wadswick Country Store, Wadswick  
Biomass boiler with chimneys

No objections

19/07824/WCM Land north of Rudloe Water Treatment works  
Construction of a new inclined mine entrance  
Reconsultation – Additional Highways Technical note

The Parish Council's objections still stand. If there is a 40mph speed limit this should extend beyond Leafy Lane. The Parish Council would also ask where the layby will be relocated to. The increase in traffic will impact on local residents. It is felt that there are too many heavy vehicles using this site and the number of lorries should be reduced and the Council disagrees strongly with the extension to the hours – this will mean cutting stone can start at 6 am which will cause a nuisance to local residents. It would also appear that more trees will need to be felled

19/10538/TCA Rookery Nook, Hazelbury Hill  
Fell 1 Leylandii

No objections

**6. Items of report and future agenda items**

Cllr Evans reported that she would shortly be submitting an application for a change of materials used for her extension. She would be happy to explain this when the application is considered

Pound Gates – one of the gates will not shut and the pillar has shifted. Clerk to ask Marcus Mitchell to look at this

It was asked that Wiltshire Council be reminded at the state of the wall underneath The Fountain

**Chairman**

*Meeting closed at 7.15 pm*
