Residents of LVHA

Dear Residents,

Supplementary Documentation to support the Locally Valued non-designated Heritage Assets in the draft Box Parish Neighbourhood Plan

In July, the Parish Council wrote to you to confirm that your property or asset owned by you was judged to be of valued heritage (Locally Valued non-designated Heritage Asset (LVHA)) and thereby it was important for the Parish to recognise this asset in its evolving Parish Neighbourhood Plan.

In addition, there is supplementary information available to you to explain further how this judgement was made; this information is now enclosed. The Council has also agreed to extend its deadline for comment until 16th October 2025.

Should you wish to seek further clarification, the Council via its Steering Group would be pleased to engage with you and will probably hold an LVHA engagement evening later this year.

Yours sincerely,

Steve Vickery
